

BDML 2018

CALL FOR PAPER

2018 International Conference on
Big Data and Machine Learning
Nagoya, Japan Nov. 23-25, 2018
Web: www.bdml.org

2018 BDML

will be held in Nagoya, Japan, from **November 23 to 25, 2018**. It is mainly organised by International Academy of Computing Technology (IACT) and technically supported by some universities and associations. we have an opportunity to collaborate and advance the theory and practice of major trends in related fields. We will also have an excellent opportunity to network with the leading scholars and practitioners.

Important Dates

- ◇ Submission Deadline : July 05, 2018
- ◇ Acceptance notification : July 25, 2018
- ◇ Registration Deadline : August 10, 2018
- ◇ Conference Date: Nov. 23-25, 2018

Publication

All accepted and presented papers will be published in International Conference Proceedings Series, which will be indexed by **Ei Compendex and Scopus** after the conference.

Submission Guide

1. Each paper should be no less than full 4 pages and has the maximum length of 5 pages normally, and additional pages will be charged.
2. The full papers must be written in English.
3. The full paper submission is required for publication.
4. The version of your submission must be in the requested format.

CALL FOR PAPER

- Network architectures and algorithms
- Distributed systems design, implementation & application
- Enterprise, datacenter, and storage area networks
- SDN, NFV, and network programming
- Experimental results from operational networks or network applications
- Measurement of and statistics methods/machine learning/data mining applied to networks
- Network monitoring and diagnosis
- Formal methods and network verification
